The piping works are being carried out in the ships that are being built in Holland.

The assembly and welding of a hull of a ferry is being implemented in France.

The construction of a cruise liner in a shipyard of St Nazaire (France).

The reconstruction works of an ice arena in Elektrenai (Lithuania). An installation of ventilation equipment.

## A NEW CONTRACT HAS BEEN SIGNED IN RUSSIA

In the middle of April, the group of companies "Litana" signed a contract for the construction of a scientific research, administrative and manufacturing center in Gusev (Kaliningrad region). The building area is 16,900 m<sup>2</sup>. The group "Litana" will operate as a general contractor within this project. It is planned to complete construction by the end of March, 2012. Presently, design as well as preparatory works are under implementation. The designed complex is composed of three interconnected but uneven highbuildings. The central part is the building of scientific research, administrative and manufacturing center. Two manufacturing buildings stand next to it: a manufacturing printing equipment plant as well as a microprocessors' assembly plant.

## THE GROUP OF COMPANIES "LITANA" IS GOING TO BUILD THE 10<sup>th</sup> SUPERMARKET "VICTORIA"

The group of companies "Litana" has been constructing supermarkets for the group of companies "Victoria" for more than ten years. Supermarkets "Victoria", trading centers "Kvartal" as well as "Cash and Carry" are the result of a successful cooperation. Currently "Litana" is designing and preparing for the construction of the 10<sup>th</sup> "Victoria" supermarket. This trading center on Krasnaya Street 142 in the city of Kaliningrad will be built within six months. The total building area of the supermarket will be 4,800 m<sup>2</sup>. "Litana" acts as the general contractor on this site.

Our constant customer the group "Victoria" is a large trading company in Russia, successfully operating since 1993. Victoria operates retail chains in various formats: trading centers "Kvartal" and shops of economy class "Dioshevo", a chain of shops "Semeinayakapilka", stores "Cash and Carry", as well as a chain of supermarkets "Victoria". Shops are located in Moscow, St. Petersburg, Kaliningrad and in Tula. The company is among the top ten grocery chains in Russia during the last years.

## ONE MORE CONTRACT HAS BEEN SIGNED IN BELARUS

On the 27<sup>th</sup> of April, The group of companies "Litana" signed an agreement with its constant customer "Almy" for the construction of one more supermarket in Gomel. "Litana" will work as the general contractor on this site. Construction work has already begun, and it is planned to hand it over to the customer by the end of December. The total building area of the new supermarket in Gomel is 4600 m<sup>2</sup>.

## THE BEST PLAYERS OF LITANA'S SPORTS FESTIVAL OF 2010 IN THE FOOTBALL MATCH OF THE BEST SPANISH TEAMS

In front of Santiago Bernabeu.

A group of "Real Madrid" fans welcome the team.

Igor Titov and Anton Leshukov before the game.

Every travel brings about new impressions and emotions. Employees from "Litana" group: Anton Leshukov (Russia), Maksim Frolov (Lithuania), Aleksandr Petrushkin (European team) and Igor Titov (The Republic of Belarus) experienced the unforgettable sensation. At the end of the last year, the four employees were rewarded with a trip to Madrid for their active participation during Litana's second annual international sports festival. They attended the match between Spain's top two football teams, "Real Madrid" and "Barcelona". The travel was from the 15<sup>th</sup> to the 18<sup>th</sup> of April. The match, which

According to their replies, the four men had a wonderful time. The hotel which is located in the center of the capital, was very convenient to visit museums and go on excursions. Our employees saw Madrid's huge Royal Palace, Royal Theater as well as the restored Opera theatre, Retiro Park, the building of the National Library dating back to the 19<sup>th</sup> century, Prado museum where a collection of the most amazing artifacts is housed. Despite discovering many of Madrid's marvels, they didn't have enough time to see all.

The 3<sup>rd</sup> international sports festival of "Litana" group will start on the 3<sup>rd</sup> of June. Dur-

ing the each four teams will compete for the championship in football, chess, volleyball, bowling and arm wrestling. It is a tradition when the tournament ends, the most active and best player are rewarded. After each game's completion, all the competing participants will fill in a questioner which will help the judges to decide who to choose as the best player from each team. The person will have the most victories in each discipline will become the best player. The chosen participant will not be able to win again during the following two years. In such a case, all new players have the possibility to become the ▶

took place in the evening of the 16<sup>th</sup> of April in Spain's capital and the largest city Madrid, will forever stay in their memories. The lucky employees watched the game between two legendary teams, who have been battling it out for the championship throughout their history, could not be separated, as the game ended 1-1. "Real Madrid" is the most famous football club not only in Spain but around the world as well. The team is the record holder of Spanish titles. "Barcelona" football team, also commonly known as "Barça", is from Catalonia and is one of the best both in Spain and in the world.

As the match was played in the evening, the travelers had two days for sightseeing.

Employees of "Litana" AleksandrPetrushkin, MaksimFrolov, Igor Titov and Anton Leshukov saw a live game of two famous teams.
