The Burj Dubai, the grand construction with complex of living, commercial, hotels, entertainment and shopping centers all around water, verdure and lakes. The Burj Dubai is the tallest man-made structure in the world (tower of Dubai): from 160 to 180 floors. Dwelling and commercial premises as well as luxury hotel will be in the tower.

Dubai is the largest city in United Arab Emirates (UAE), an administrative centre of emirate. The name of emirate translates from the Arabian as "a locust hatched out of larva".

The population of Dubai was about 1321,4 thousand in 2006.

Dubai was founded in about 1830 as small fishermen settlement. Already in the beginning of 20th century Dubai was famous for the greatest markets in all the coast of Persian Gulf. In 1966 oil was found in its districts, since then

prompt development started in the city.

Dubai trades with 140 countries of the world, many transnational companies use it as transshipment centre between the East and the West. Free Economic zone of DzhebelAli is established in Dubai.

Today Dubai is the largest trading, financial and touristic centre in the nearest East. According to the rates of development Dubai is comparable with Shanghai, China.

Dubai is the 3rd re-export centre in the world after Hong Kong and Singapore. During the last years obvious building boom is observed in Dubai. One significant fact testifies it: the fifth part of all tower cranes of the world concentrates in the territory between Abu-Dhabi (capital of United Arabian Emirates and emirate Abu-Dhabi) and Dubai.

Hotel Burj Dubai al Arab Hotel figuratively is called «Seven-stars». It is the highest hotel in the world (56 floors, 321 meters) is erected in the sea, in 280 m from coast on the artificial Island. The hotel is located in 15 km to the south of Dubai and is part of Jumeirah International complex.

UNITED TEAMWORK EVERYWHERE

The group of companies «Litana» already pursues its activity in 13 countries of the world; therefore all the chains put all efforts to work accurately, as united system. Financial department aims the same in their daily work.

Earlier, each enterprise of group prepared annual financial reports in a different way – according to requirements of book keeping of the country, in which the enterprise works.

Presently, in connection with expansion and development of the group of companies «Litana», all enterprises prepare financial reports under unified international standards. In order to precede this process as a united teamwork, chief accountants of affiliates are being trained to prepare financial reports

according to requirements. For that purpose seminar "Preparation of the consolidated financial reports under unified international standards" took place in a headquarters in Gargzdai on October, 8-9th 2009.

Seminar and consultations concerning the financial reports was given by Odeta Budrike - the chief accountant of the central office. The chief accountant of «Litana-Stroi» - Elena Sokolovskaja, the chief accountant "Litana – Latvija" - Kristina Hludkova, and the chief accountant of «Litana-Ukraina» - Olga Kalinina took part in the seminar. During the seminar participants got exhaustive explanations and answers to their questions.

Improvement works in sphere of the finance will not stop on that. In the nearest

future it is planned to pass the information necessary for work to chief accountants of other affiliates, also to carry out consultations for accountants that already participated in the seminar.

During the seminar
